## THE FEI CODE OF CONDUCT

### FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and Athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. **The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.**

A full copy of this Code can be obtained from the Fédération Equestre Internationale, HM King Hussein I Building, Chemin de la Joliette 8, 1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English & French. The Code is also available on the FEI's website: [www.fei.org](http://www.fei.org).

However, the insurance for obvious reasons does not extend to any liabilities incurred as a result of an FEI Official's dishonest, fraudulent, malicious, and/or illegal act.

Should an FEI Official become aware of an incident that he or she believes might result in a claim, that FEI Official should notify the FEI immediately and provide all of the facts known to the FEI Official. The FEI cannot guarantee the insurance coverage described above in circumstances where the FEI Official has good cause to believe that there might be a claim and does not provide such timely notice directly to the FEI.

**3.4** NFs are responsible for issuing FEI passports and FEI Recognition Card for all Horses required to have them and for ensuring that the FEI and/or national passports are correctly completed, as specified in the VRs, prior to being authenticated by the stamp of the NF and the signature of an Official of the NF. IN ALL CASES NFs MUST BE CONTENT THAT THE DESCRIPTION OF THE HORSE MUST BE ACCURATELY COMPLETED TO A SUITABLE STANDARD. NFs must provide the identification page to the FEI for registration. The Person Responsible for a Horse at an Event is responsible for the accuracy of the FEI and/or national passport and for presenting it at the passport control, except for Events with borrowed Horses (Article 111) where it is the responsibility of the host NF

**3.4.1** As of 1 January 2010 the FEI does not issue passports for horses which are statutory subject to the European Union identification requirements laid down in Commission Regulation (EC)No 504/2008. Art. 1010 and Annex XVII, VRs

apply to EU Horses documentation procedures. THE EXCEPTION BEING THE REVALIDATION OF AN FEI PASSPORT THAT HAS BEEN CONTINUOUSLY REVALIDATED WITHOUT INTERRUPTION.

- 3.5** A Horse may only have one FEI passport or one national passport with an FEI Recognition Card as per paragraph 1 of this Article and one permanent FEI number. If an NF is satisfied that an FEI and/or national passport has been lost or if any section of the FEI and/or national passport is full, it may issue an FEI and/or national passport clearly marked "duplicate" and bearing the same number as the original FEI passport. The issue of a duplicate FEI and/or national passport must be reported to the FEI (see VRs). General Regulations, 23rd edition, 1 January 2009, updates effective 1 January 2011 39
- 3.6** OCs must arrange for each Horse to be positively identified at the passport control during the examination on arrival, in accordance with the VRs. Any case of misleading or inaccurate information in an FEI and/or national passport, or if the Horse cannot be positively identified, must be reported to the President of the Appeal Committee, who must report the case to the FEI, giving the number of the FEI and/or national passport with the FEI Recognition Card and the name of the Horse.
- 3.7** All Horses taking part in FEI Events must be registered with the FEI.

**4. EQUINE INFLUENZA VACCINATION, VET. REGS. ANNEX VI (except events taking place in NZL & AUS)**

From 1 January 2005 onwards, influenza vaccination for all Horses competing in FEI competitions requires a vaccination within six months + 21 days of the competition.

- 4.1.** All Horses intending to participate in FEI competition must have at least received an initial primary course of two vaccinations, given between 21 and 92 days apart. Thereafter, a third dose (referred to as the first booster) must be given within 7 months after the date of administration of the second primary dose, with at least annual boosters given subsequently (i.e. within one year of the last dose).
- 4.2.** If the Horse is scheduled to take part in an FEI competition, the last booster must have been given within 6 months + 21 days of arrival at the FEI Event. (The 21-day window has been provided to enable vaccination requirements to fit in with the competition schedule).
- 4.3.** No vaccination shall be given within 7 days of the day of arrival at the FEI Event.
- 4.4.** All Horses that were certified as correctly vaccinated under the previous FEI equine influenza vaccination rule prior to 1st January 2005, do not need to start a primary course again provided that they have complied with the previous rule of primary course and annual re- vaccinations and the new rule of a booster vaccination within 6 months + 21 days of the day of arrival at the FEI Event.

**MEDICATION CONTROL PROGRAMME (GROUP I & II ONLY)**

The Organising Committees of FEI events within Groups I & II are advised to charge competitors the equivalent of CHF 12.50 per horse per event as a contribution towards the costs of the MCP programme.

**SAMPLING FOR PROHIBITED SUBSTANCES (Vet. Regs. Chapter V & VI and Annex III)**

Regular sampling is carried out in CCI3\* and CCI4\*, CSIs (3\*, 4\*, 5\*), CIOs, World Cup Qualifiers and Cup Finals, Championships and Games, whereas at other CIs sampling is

recommended. Where testing takes place, the number of Horses tested is at the discretion of the Testing Veterinarian/Veterinary Delegate. At CCI3\* and CCI4\*, CSIs (3\*, 4\*, 5\*), CIOs, World Cup Qualifiers and Cup Finals, Championships and Games it is recommended that a minimum of 5% of all Horses (with a minimum of 3 Horses tested) must be sampled (see also VRs Art. 1016.5.).

Special guidelines are applicable for events covered by the FEI Medication Control Programme (Groups I & II only).

## **6. VETERINARY TREATMENT AND DESIGNATED TREATMENT AREAS AT FEI EVENTS:**

The 2010 FEI Veterinary Regulations include changes in the approach to the procedure for permitting treatments at FEI events, and introduces a requirement that such treatments must take place in designated treatments areas. Designated treatment areas allocated only for this purpose must be provided at events, but certain treatments as specified below may take place elsewhere by agreement with FEI Veterinary Officials (FEI Veterinary Delegates or members of the FEI Veterinary Commission) i.e. in own stables. These changes also reflect the new approach to the FEI List of Equine Prohibited Substances since 5<sup>th</sup> April 2010 which now contains an exact list of substances that are prohibited under FEI rules. See:

[www.feicleansport.org](http://www.feicleansport.org).

Permission to undertake treatments and the location where they take place, is under the control and the authority of the FEI Veterinary Officials present. The following documentation must be completed when permission to treat is required.

**Equine Therapeutic Use Exemption (ETUE) Form 1 - Authorization for Emergency Treatment (i.e. involving medication containing Prohibited Substances).** This is issued by a FEI Veterinary Official and must also be countersigned by the Ground Jury.

- Treatment generally must take place in allocated designated treatment areas for this purpose unless by special agreement with FEI Veterinary Officials. The only exception to this is a clear emergency, when a retrospective ETUE may be considered, but may not be authorized in all cases

**Equine Therapeutic Use Exemption (ETUE) Form 2 - Declaration for administration of altrenogest to mares competing in FEI competitions.** This must be submitted before the start of the event. No Ground Jury countersignature is needed.

- Treatment may take place in own stables

**Medication Form 3** - Authorization for the use of Medication not on the list of Prohibited Substances (i.e. rehydration fluids and antibiotics).

For permission to administer these substances by injection, naso-gastric tube or nebulisation (i.e. with saline only) it is necessary to complete Medication Form 3. For other administration methods of such substances not on the Prohibited Substances list i.e. in an oral form, this form is not required. The form does not need to be countersigned by the President of the Ground Jury.

- Treatment may be required in the designated treatment areas, but in the case of some treatments i.e. intravenous fluids, or lack of sufficient treatment areas agreement may be made for this to be undertaken in own stables
- Agreed treatment areas are required for the supervised activities of Physical Therapists, but such areas for this activity may be the horses own stable.

An agreed treatment area and supervision is not required for simple treatments such as "Ice", water, cold laser, "magnetic therapies", "heated blankets" etc.

Supervision of all such treatments by FEI Officials may take place directly or by requesting to see a copy of the relevant authorization. No treatments may take place without coming under such control and authority except in the case of a clear emergency, when a retrospective authority may be considered, but may not be issued in all cases.

### **Notes to Organising Committees**

FEI Veterinary delegates are to work with Organizing Committees in advance to ensure that treatment areas are available and fit for purpose. They are also to ensure that stewards are aware of the simple guidance above with regard to when treatments areas and permission forms are required and are not.

Organizing Committees are to also ensure that there are adequately trained stewards who liaise fully with FEI Veterinary Officials to assist with the supervision of treatment areas in order to meet the above criteria. If such stewards are not available the FEI Veterinary officials are to designate individuals that can fulfill such a role. The organizing committee is also responsible for making sure the veterinary officials have an office space with a copy machine close to the FEI stables available to them so as to facilitate the required paperwork process. The FEI Veterinary Delegate is required to make only ETUE 1 available to the Ground Jury. ETUE 1, ETUE 2 and MF 3 are required to be kept by the FEI Veterinary Delegate and referenced in their report to the FEI.
